

COVERING

WOOD 40

INTERNAL APPLICATION

Beige wood

HOME-STAGING

Reflectiv has developed covering films with designs and textures for home-staging. Thanks to its special adhesive, apply easily on flat and curved surfaces. This solution allows you to custom in an economical way and quickly, your interiors, business offices or homes (furniture, kitchens, doors, walls, etc...)

Durability : 10 years for indoor application

Use: Flat or curved surfaces

Maintenance after 30 days : with usual cleaning solutions (non-abrasive, without ammonia...). Cleaning products that may scratch the film should be avoided.

Storage : 2 years from delivery. This film should be kept away from excessive humidity and sun rays, at temperatures below 38°C.

Afin de satisfaire un niveau d'exigence élevé, nous vous recommandons de ne pas mélanger des films de productions différentes
